

# Christmas Blessings

Christmas 2016

Bud and I, along with our staff at Christ Unlimited Ministries, want to take this time to send our blessings and prayers to all the wonderful people we know and also those who have visited us at the **BibleResources.org** website. We have been blessed by so many of your letters that have encouraged us greatly. We are also grateful for the support you have sent our way for our ministry work online and want to thank you for your help. As you know, we are called to be cyber-space missionaries. There is a big world out there and so many people want to know the truth and that truth is found in Jesus. We are celebrating the birth of Jesus this time of year, but that reminds us of the real mission of Christ coming to the earth and that was to bring the good news of the gospel. That news is that Jesus saves!

We are praising God for all that is happening. In the beginning, we wondered how God could use the Internet for ministry. We now understand, as thousands of people have come to the Prayer Room to leave their requests and they are receiving answers to their prayers. We are so grateful for all of our intercessors who help us in praying for these needs. We have books in Kindle and teaching videos on YouTube now that can be accessed from the website.

Others come to read the Bible in their own language. We have the Bible in over 140 languages posted on our site. Lately we have been getting a lot of response from people in the Muslim countries who are curious about the man called Jesus. During this season of the year when everyone's attention is drawn to the birth of that Man, we have more opportunities to tell the world about salvation in His name. We have many testimonies of those who have come to this website and have found the answers they are seeking. As we celebrate Christmas, let us remember the reason for the season and not forget to reach out in our giving, as God gave us the gift of His son, Jesus.

Over a 150,000 people a month come to BibleResources.org on a daily basis just to read the daily devotional. Thousands read the Bible Answers posted on the site. Multitudes use the Search the Bible page to read scripture daily. With all this activity we receive hundreds of e-mail. We are here to help you find your needed Bible answers.

Bud and I fill in the gaps by wearing numerous hats. Bud has a telephone counseling ministry, (at least it seems that way), as he is on the phone much of the day. He manages the business end of the ministry. I write the devotionals, articles, answer as much mail as possible and stay on the computer much of the day (and night). Together, we manage the office, the computer projects, the ministry needs, etc. My heart really desires more time to pray and write. I have numerous articles that are incomplete that need to be posted on the site, so pray that I can get these done. Please pray for us to have God's strength, health, wisdom and love to accomplish all that He calls us to do.

We just wanted to share from our hearts some of the things going on here. May the Lord bless you and your family in this coming New Year. I feel that God's people who are seeking Him with their whole hearts are going to experience great breakthroughs in the coming year. Many of you have been going through hard times and I believe that soon you will receive the victories you need. Remember, our Lord is a rewarder of those who diligently seek Him.

**Hebrews 11:6: "But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him."**

May you have a blessed Christmas and a Happy New Year in the Lord!

His Grateful Servants,

*Bud and Betty Miller*
